

# ONE

## Nathan Lane

One is the loneliest number that you'll ever do  
Two can be as bad as one  
It's the loneliest number since well the number one  
Listen up, it gets worse  
No, is the saddest experience you'll ever know  
Yes, it's the saddest experience you'll ever know  
Because one is the loneliest number that you'll ever do  
One is the loneliest number that you'll ever know  
It's just no good any more, babe, since you went away  
And now I spend my time just making rhymes of yesterday  
All my troubles seem so far away  
'Cause one is the loneliest number that you will ever do  
Yes, one is the loneliest number that you'll ever know  
One is the loneliest number, one is the loneliest number  
One is the loneliest number that you'll ever, ever, ever, ever do  
Well, I'm not kidding you  
Aw I am so depressed, I need a nap and a good therapist  
Don't you hate to eat alone? Bitter party of one?  
Ah that's all
