

The Only Son of the Widow from Nain

Mudhoney

Hey man turn off the lights
Can you prepare and still be alive?
You blew my mind, you fucked my head
I'm looking forward to do it again
I'm coming back, I'm coming back
I'm coming back for more
Last thing I know I was having a blast
They say you can't keep a good man down
I feel good and I'm up for another round
I'm coming back, I'm coming back
I'm coming back for more
They call me The Only Son Of The Widow From Nain
Nobody remembers my name
Fucking laзорous, got all the fame
I'm The Only Son, I'm The Only Son, I'm The Only Son Of The Widow From Nain
I'm not the guy in the ...
I'm not the guy in the deeper sun
I'm coming back, I'm coming back
I'm coming back for more
I'm coming back, I'm coming back
I'm coming back for more
More
