

# Steppin Out (Crash Overdrive rmx)

## Kaskade

Here we are  
We've come so far  
A fine romance  
Of steppin' out to dance. Your lovely charms  
When you're in my arms  
That subtle glance  
When steppin' out to dance.  
To dance, to dance Could you think it over?  
When we get older  
I'll still want you here with me  
Darling I hope that you agree  
There's something that takes place  
Whenever we embrace  
I'm hoping that you take this chance  
Of steppin' out to dance.  
Out to dance, out to dance. Here we are  
We've come so far. Could you think it over?  
When we get older  
I'll still want you here with me  
Darling I hope that you agree  
There's something that takes place  
Whenever we embrace  
I'm hoping that you take this chance  
Of steppin' out. Could you think it over?  
When we get older  
I'll still want you here with me  
Darling I hope that you agree  
There's something that takes place  
Whenever we embrace  
I'm hoping that you take this chance  
Of steppin' out to dance.
