Summer Games

Drake

I think you're changin' your mind Startin' to see it in your eyes I used to love a good surprise

And now I'd rather know ahead of timeYou said "I love you" too fast So much for that, girl, summer just started and we're already doneYeah, you say I led you on, but you followed me

> I follow one of your friends, you unfollow me Then you block them so they can't see you likin' someone just like me

I expected more from you, honestly

Said you want a simple life, and that's not me

How you go from that to endin' up with someone just like...?How can you be angry on a night in July

And be warm with me when it's freezin' outside?

You're confusin' me, don't have me wastin' my time

Yeah, you said "I love you" too fast

So much for that, girl, summer just started and we're already doneI kept you decent, I kept you sane

I kept it peaceful, don't lie

I kept it decent, even the secrets

Kept it between you and IBreakin' my heart, tearin' me apart

Breakin' me down when I'm already down

Breakin' my heart- breakin' my heart- breakin' my heart

Breakin' my heart-breakin' my heart-

Brea- brea- brea- brea- brea- brea- brea-

Breakin' my heart, tearin' me apart

Breakin' me down when I'm already down

Breakin' my heart- breakin' my heart- breakin' my heart

Breakin' my heart-breakin' my heart-

Brea- brea- brea- brea- brea- brea- brea- brea- brea-

You said "I love you" too fast

So much for that, girl, summer just started and we're already doneHow can you be angry on a night in July And be warm with me when it's freezin' outside?

You're confusin' me, don't have me wastin' my timeYeah, you said "I love you" too fast So much for that, girl, summer just started and we're already done Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
