Jealous

Jasmine V

I don't know why I don't trust,
I go crazy when you hang with her,
I need a straight jacket for my mouth,
Can't let my J-E-A-L-O-U-S feelings keep coming out,
might as well wrap him up in a bow,
All I'm doing is making him wanna go,
I need you to help me calm my doubts,
Cause J-E-A-L-O-U-S feelings just bring us downI don't wanna be nag-nagging
don't wanna be drag-dragging you down,
don't wanna be puh-pushing,
look what I'm doing now.
So I'm that girl, I'm that jealous girl,
J E A L O U S, boy, don't know how you got me acting like this.How do I stop all these thoughts yeah
That maybe our love ain't strong enough yeah
i need to get a grip on myself
Before I push you right into the arms of someone Someone else
All i'm doing is making you wanna go oh
So i'm wrappin him in a bow
(it's like i'm wrappin him in a bow)
All i do is make him wanna go ohhhh
I need you to help me through my doubts
Cuz my J-E-A-L-O-U-S feelings don't bring us downI don't wanna be nag-nagging
don't wanna be drag-dragging you down
Don't wanna puh-pushing
Look what I'm doing now
So I'm that girl
I'm that jealous girl
J-E-A-L-O-U-S
Boy don't know how you got me acting like thisI don't wanna be nag-nagging
don't wanna wanna be drag-dragging you down
Cause I'm that girl
I'm that jealous girl
