

# Hypnotico

Jennifer Lopez

All the girls that know that they're sexy  
Come on!

[Verse 1]

Flip it, slap it down  
It's gonna get nasty  
Hypnoti-notico, Hypnoti-notico

Shake me, shake those earthquakes,  
Cause I'm in the ci-ity  
Hypnoti-notico, Hypnoti-notico.

Love me for my body  
I'm original sexy  
Hypnoti-notico, Hypnoti-notico

[Chorus x2]

All the boys, all love it when we do our thing.  
We're just some silly heartbreakers tonight (tonight)  
All the boys, all want it, but it don't mean a thing  
We got tonight (tonight)  
We're just some silly heartbreakers tonight

Hypnoti-notico, Hypnoti-notico.

[Verse 2]

Red eyes, whiten  
Envious smiles  
Hypnoti-notico, Hypnoti-notico

Sunburn, baby, hurts like cra-azy  
Hypnoti-notico, Hypnoti-notico  
Hungry for some yum, yum  
Gonna get me some, some  
Hypnoti-notico, Hypnoti-notico

[Chorus x2]

All the boys, all love it when we do our thing.  
We're just some silly heartbreakers tonight (tonight)  
All the boys, all want it, but it don't mean a thing  
We got tonight (tonight)  
We're just some silly heartbreakers tonight

[Bridge]

Aahh  
Hypnoti-notico, Hypnoti-notico.

Aahh  
Hypnoti-notico, Hypnoti-notico.

All the boys go crazy  
All the boys go crazy

Hypnoti-notico, Hypnoti-notico.

Whine up your body like you're a boricua  
All of the men have a silly heartbreaker

Hypnoti-notico, Hypnoti-notico

[Chorus]

All the boys, all love it when we do our thing.  
We're just some silly heartbreakers tonight (tonight)  
All the boys, all want it, but it don't mean a thing  
We got tonight (tonight)  
We're just some silly heartbreakers tonight
