

# Praise You

[Skaila Kanga](#)

We've come a long long way together  
Through the hard times and the good  
I have to celebrate you, baby  
I have to praise you, like I should  
We've come a long long way together  
Through the hard times and the good  
I have to celebrate you, baby  
I have to praise you like I should  
I have to praise you  
I have to praise you  
I have to praise you  
I have to praise you like I should  
I have to praise you  
I have to praise you  
I have to praise you  
I have to praise you  
We've come a long long way together  
Through the hard times and the good  
I have to celebrate you, baby  
I have to praise you like I should  
I have to praise you  
I have to praise you  
I have to praise you  
I have to praise you  
I have to praise you  
I have to praise you  
I have to praise you  
I have to praise you like I should  
I have to praise you  
I have to praise you  
I have to praise you  
I have to praise you  
I have to praise you  
I have to praise you  
I have to praise you
