Christina's Song

MAX

I sit in this kitchen
Staring at your name
The headline won't sink in
Just saw you yesterday
Left you a message
I guess it never came
Can you hear. Can you hear. Can you hear.
But I don't understand
Read it again
Can't catch my breathTurn off the news it must be wrong
This can't be true, can't believe you're gone
How can they say, you're where you belong
You should be here, and I shouldn't be singing this song
I look at this pictureFrom the day we first met
It's like I've known you forever
That's what we both said
Rain on that Sunday
3 words in that text
Did you hear. Did you hear. Did you hear.
Cause I don't understand
Read it again
Can't catch my breathTurn off the news it must be wrong
This can't be true
Can't believe that you're gone
How can they say, you're where you belong
You should be here, and I shouldn't be singing this song
How do I wake up
And start this day again
Tell you to stay home.
