

# Wander

Idris Muhammad

I recall one summer's night  
Within the month of June  
Flowers in mahogany hair  
And smell the earth in bloom Only such a melody comes without a sound  
More than faintly heard by those  
Who know what they have found  
Now it's just a memory Silently we wander  
Into this void of consequence  
My shade will always haunt her  
But she will be my guiding light Silently we wander  
In search of truth and confidence  
So many hopes were lost here  
Along the way from morning to night Meet me by the wishing well  
In cover of the moon  
Whisper to me tenderly  
That I will see you soon Sing that song from long ago  
So I remember you  
Flowers in mahogany hair  
And mellow days in June  
Only for the memory Silently we wander  
Into this void of consequence  
My shade will always haunt her  
But she will be my guiding light Silently we wander  
In search of truth and confidence  
So many hopes were lost here  
Along the way from morning to night From ashes we were born  
In silence we unite Silently we wander  
Into this void of consequence  
My shade will always haunt her  
But she will be my guiding light Silently we wander  
In search of truth and confidence  
So many hopes were lost here  
Along the way from morning to night Silently we wander  
Into this void of consequence  
My shade will always haunt her  
But she will be my guiding light Silently we wander  
In search of truth and confidence  
So many hopes were lost here  
Along the way
