Prayer

Disturbed

Another dream that will never come true
Just to compliment your sorrow
Another life that I've taken from you
A gift to add on to your pain and suffering
Another truth you can never believe
Has crippled you completely
All the cries you're beginning to hear
Trapped in your mind and the sound is deafeningLet me enlighten you
This is the way I pray
Living just isn't hard enough
Burn me alive inside
Living my life's not hard enough
Take everything awayAnother nightmare about to come true
Will manifest tomorrow
Another love that I've taken from you
Lost in time on the edge of suffering
Another taste of the evil I breed
Will level you completely
Bring to life everything that you fear
Live in the dark and the world is threateningLet me enlighten you
This is the way I pray
Living just isn't hard enough
Burn me alive inside
Living my life's not hard enough
Take everything awayReturn to me
Return to me
Return to me
Turn to me
Leave me no one
Turn to me
Return to me
Return to me
Turn to me
Cast asideReturn to me
Return to me
Return to me
Turn to me
Leave me no one
Turn to me

Return to me
Return to me
You've made me turn awayLiving just isn't hard enough
Burn me alive inside
Living my life's not hard enough
They take everything from you
Living just isn't hard enough
Burn me alive, inside
Living my life's not hard enough
Take everything away
