Sway (Acoustic Version)

The Perishers

I talk to you as to a friend
I hope that's what you've
Come to be
It feels as though we've
Made amends
Like we found a way
EventuallyIt was you who picked
The pieces up
When I was a broken soul
And then glued me
Back together
Returned to me what
Others stoleI don't want to hurt you
I don't want to make you sway
Like I know I've done before
I will not do it anymore
I've always been a dreamer
I've had my head among
The clouds
Now that I'm coming down
Won't you be my solid ground?I look at you and see a friend
I hope that's what you want to be
Are we back now where
It all began?
Have you finally forgiven me?You gathered my dreams in
When they all blew away
And then tricked them
Back into me
You saved me I was
Almost deadYou saved me when I was almost dead.I don't want to hurt you,
I don't want to make you sway.
Like I've done before,
I will not do it anymore.[Repeat x2]
I've always been a dreamer,
I've had my head among the clouds.
But now that I 'm coming down,
Won't you be my solid ground?
