Here We Go

Freestylers

One two mike check 1998 setting it straight
For you and yours
Rock steady
Big dedication and shouts outs going out to the Freestylers in the dance tonight
As we touch down with the listening pressure, for you and yours don't forget
Leave your name on the dotted line, and don't forget your Zodiac signHere we go on a ride with the new Freestylers, Freestylers
Here we go on a ride with the new Freestylers, FreestylersBy definition it's the don with the K.E.V in a brand new song
Giving you some freestyle freestyle flow, with the D with the O with the N you should know
We've been flowing since '88, we've the greatest of ease get it straight we're great
Dance to this cause the bass is deep, prance to this cause your girl looks sweet
I must repeat we can rock your world, in the meanwhile shake it girl
The freshest MC's are back again, with the old school flow setting a trend - yeahHere we go on a ride with the new Freestylers
Here we go on a ride with the new Freestylers
