Travelin' Man

Albert King

Left my home in Texas
I moved to Arkansas
Now if you think I'm goin' back again
Oh my God, no, no'Cause I'm a travellin' man, I say I'm a travellin' man
I don't wanna lose this groove, I got to move
I'm a travellin' manI've been in every town
I've been to every state
Tryin' to find a woman I love
I'm searchin' for my mateI'm a travellin' man, hey, hey, I'm a travellin' man
I don't wanna lose this groove, I tell you, I got to move
'Cause I'm a travellin' man and I've got to goI'm alright
Oh, come onI'm tired of runnin'
From door to door
The girl that I love
She don't live here no moreI'm a travellin' man, hey, hey, I'm a travellin' man
If I don't wanna lose this groove, I got to move
'Cause I'm a travellin' manCome on man, let's go
I'm alright
