

Copacabana

Barry Manilow

Her name is Lola, she was a showgirl
With yellow feathers in her hair
And a dress cut
Just cut down to there She would merengue
And do the cha-cha
And while she tried to be a star
Tony always tended bar Across the crowded floor
They worked from eight 'til four
They were young and they had each other
Who could ask for more? At the Copa, Copacabana
The hottest spot, north of Havana
At the Copa, Copacabana
Music and passion were always the fashion at the Copa
They fell in love, love Music, mu-music and passion were always the fashion at the Copa
They fell in, fell in love
