Catch Me

Demi Lovato

Before I fall too fast
Kiss me quick, but make it last
So I can see how badly this will hurt me
When you say goodbye
Keep it sweet, keep it slow
Let the future pass, and don't let go
But tonight I could fall too soon
Into this beautiful moonlight
But you're so hypnotizing
You've got me laughing while I sing, you've got me smiling in my sleep
And I can see this unraveling
Your love is where I'm falling, but please don't catch me
See this heart won't settle down
Like a child running scared from a clown
I'm terrified of what you do
My stomach screams just when I look at you
Run far away so I can breathe
Even though you're far from suffocating me

I can't set my hopes too high
'Cause every hello ends with a goodbye
But you're so hypnotizing
You've got me laughing while I sing, you've got me smiling in my sleep
And I can see this unraveling
Your love is where I'm falling, but please don't catch me
So now you see why I'm scared
I can't open up my heart without a care
But here I go, it's what I feel
And for the first time in my life I know it's for real
But you're so hypnotizing
You've got me laughing while I sing, you've got me smiling in my sleep
And I can see this unraveling
Your love is where I'm falling so please don't catch me
If this is love, please don't break me
I'm giving up so just catch me
