## Negative

I feel like dying  
Everyday  
Am I here  
Just to fade away?  
Do you know  
What it means?  
You can think it's OK  
But the story is not  
The same anymore  
Drop me and let me fall  
In a way I haven't  
Felt before  
Leave me alone  
Don't come any closer  
I'm so alone  
And I think I'm a loser  
Nobody never  
Understands  
Now I'm alone  
And on my own  
It's so unfair  
People cry, people smile  
Is it wrong or is it right?  
I know it's right  
Drop me and let me fall  
In a way I haven't  
Felt before  
Leave me alone  
Don't come any closer  
I'm so alone  
And I think I'm a loser
