

Death by Misadventure

Ted Nugent

Hear him on the radio
See him on the news
See him on the TV
Hear him sing the blues
Welcome to his nightmare
He's been fit to kill
Death my misadventure
A case of overkill
He stayed awake till daylight
Didn't believe in help
Never saw the sunrise
Didn't believe in wealth
?
Was a rooling stone
No one understood him
?

Solo
Hear him on the radio
See him on the news
See him on the TV
Hear him sing the blues
Welcome to his nightmare
He's been through the mill
Death by misadventure
A case of overkill
Death by misadventure
Death by misadventure
