Mountain Sound

A Tributer

I heard them calling in the distance
So I packed my things and ran
Far away from all the trouble
I had caused with my two handsAlone we traveled armed
With nothing but a shadow
We fled, far away[Chorus]
Hold your horses now
(Sleep until the sun goes down)
Through the woods we ran
(Deep into the mountain sound)
Hold your horses now
(Sleep until the sun goes down)
Through the woods we ranSome had scars and some had scratches
It made me wonder about their past
And as I looked around
I began to notice
That we were nothing like the rest[Chorus]Whoa-oh-oh-oh-oh
We sleep until the sun goes down
Whoa-oh, whoa-oh
We sleep until the sun goes downWhoa-oh-oh-oh
We sleep until the sun goes down[Chorus x2]La la la, whoa-oh-oh-oh-oh
La la la, we sleep until the sun goes down
La la la, whoa-oh, whoa-oh
La la la, we sleep until the sun goes
