

# Syllables

## Eminem ft. Dr. Dre, Jay-Z, 50 Cent, Stat Quo & Ca\$

[Verse 1 - Eminem]If we gotta dumb down our style and ABC it

Then so be it

'Cause nowadays these kids, jeez

Don't give a shit about lyrics

All they wanna hear is a beat and that's it

Long as they can go to the club and get blitz

Pick up some chicks and get some digits

And the DJ's playing them hits

Oh this my jam, this my shit

We don't know a word to a verse

All we know is the chorus

'Cause the chorus repeats the same four words for us

And the songs ginormous, the whole formula's switched

'Cause we don't know anymore, what are hits

Is it the beat? Is it the rap

Is it a finger snap? Or the same 808 clap

And how do we adapt and get TRL votes

When 13 year olds control the remote

And Ashley's got a brand new nose

We gotta put some new em-phasis on our syllables

[Verse 2 - Jay-Z]If the emphasis on the compact disc isn't the beat

Than I'm gon' feature Em and get rich

And let Dre mix the shit and drive off in the Range Ro'

'Cause everywhere I go they love the bling bling flow

Bang bang look at the way my chain glow

The ring on my fing' cost Jermaine a lot of dough, oh

The fuck am I busting my brain for?

It's just the way the game go, oh, it takes two to tango

You call this a lame flow

You bought the shit

I guess you to blame too

I just found the angle

No more reality flow

I'm tryna time my album dropping with a reality show

Cock the MAC-11 in front of Hot 97

And call my publicist tell her we in press heaven

No one gives a shit

Except some kids who just got into sex on the Internet

So you want the chat room or the house of Malibu Em?

Your emphasis is on the wrong syllable  
[Verse 3 - Dr. Dre]They said 30s the new 20  
Funny, must mean 40s the new 30  
Interesting, 'cause ever since then it's been in a sence  
An extension for veteran rappers that are better than half  
Of the shit coming out right now  
It's all trash

The torch is gonna burn out before it gets passed  
Jay said it's his last, and 50 and Em  
Then what? Detox drops what we got then  
So now our whole camps is running around  
Scrambling over what to do  
Gambling everytime we put a record out  
Just looking for that hook

[Chorus - Eminem](Wait Dre look!)

Shorty I love you  
And you love me too  
We were meant to be 'cause shorty  
You love me  
And I love you too  
And I promise I'll be true to you

[Verse 4 - 50 Cent]Go shorty, it's your birthday  
You made it just in time to hear my wordplay  
It's the kid that flip flows who used to flip O's  
And run G for days used to see how I get hoes  
I'm international, I get my dick licked around the globe  
I'm sick right into show, riding on lolo's  
Puffing on coco, my bitch in Manolo's  
Don't fuck with the dodo's, I sling for dumb hoes  
I playing, I ain't got time to joke, joke  
You fuck around, you could get your ass smoked  
Look, it's not a game, me B? I ain't playing  
Beat behind me player, so you here anyway  
You don't hear what I'm saying

Me fin-nini-na

Fee-fi-dididee-yay

Just give me my check and I'll be on my way  
Sunny bunny money and funny

You ain't even listening and I just took your money

[Verse 5 - Stat Quo]There once was a time everywhere he turned  
Shady Aftermath was all ya heard  
But they say 50 sang too much  
And Em got soft  
And they say Dre just fell the fuck off

Well fuck the fuck offs  
All y'all eat soft, be mad, we bad fresh up outta the vault, oh!  
New syllables eat ball, ya fucks offs  
Your house, your bitch I'm getting sucked off  
East, South, Midwest, even up North  
Falling victim to wax, spitting, bring out the white chalk  
All for the gingerbread, we get it and get lost  
Catch me if you can, I'm running past while y'all walk  
[Verse 6 - Ca\$his]Shady made me for bringing it back  
For the history of rap  
It's gone with a snap, a sneer and a clap  
What happened to just spitting about living in the muthafucking city you at?  
In the grimeiest condition, I breath in drama  
King Mathers and Cash me, thats freak karma  
I'm everything, anything, you could never be  
It's a hitting, rhyme in the month deep  
I speak with a piece, no peace on my mind  
I repeat every evil deed done of mine  
No rest contest, contract to sign  
By blood I'm in this squad for life  
Hear out my wind pipes and I just chime  
I'm the reason you guys won't say that line  
I'm crazy renegade like Em and Jay-Z  
I'm Rosemary's baby  
[Chorus][Eminem Talking]It is not about lyrics anymore  
It is not about lyrics anymore  
It's about a hot beat, a hot beat  
It's about a hot beat, a hot beat  
A hot hot hot beat  
And a catchy hook  
A hot hot hot beat  
And a catchy hook  
Nobody gives a damn about them syllables, sillyle-ables, whatever they are  
I don't care if you gotta rhyme Smo, Joe, toe and glow  
Now get out there and sell some goddamn records
