

# Frog

## Megadriver

Hopping through the rain forest  
Escaping the fire like all the rest  
Trying to keep my species alive  
Looking for lilies and tasty flies  
My legs are pumping as fast as they need to  
My legs are drying as quick as glue  
I look at the sun for one of my kind  
I am a frog and I have a mind  
You sold me out, you sold me out  
Yeah, I was a frog and now I am a song  
Less and less of us everyday  
The humans have screwed us the human way  
Trees are falling without a sound  
Into a river where they drown  
You sold me out, you sold me out  
Yeah, I was a frog and now I am a song  
And I'm running just to be  
Yeah, I'm hoping you'll kiss me  
I used to be alive  
Less and less of us everyday  
The humans screwed the human way  
Trees are falling without a sound  
Into a river where they drown  
You sold me out, you sold me out  
Yeah, I was a frog and now I am a song
