## R.E.M.

Easy come, easy go Nations call  
Par, parallel  
Neigh, neighbors call  
All in all, in all, in all, in all That's worth saving up for  
Put our heads down on the task  
Bustle in a peaceful rest  
Easy come, easy go Easy come, easy go  
Easy come, easy go Steels conceal  
Par, parallel  
Neigh, neighbors call  
All in all, in all, in all, in all That's worth saving up for  
Put our heads down on the task  
Pasolini pays the guests  
Easy come, easy go Easy come, easy go  
Easy come, easy go Call the shot even in the parking lot  
One romance Easy come, easy go  
Easy come, easy go Neighbors call  
Par, parallel  
Late at night nations fall  
All in all, in all, in all, in all That's worth saving up for  
Put our heads down on the task  
Pasolini pays the guests  
Easy come, easy go Easy come, easy go  
Easy come, easy go
