Kiss Of A Bullet

Diana Vickers

Black tears falling onto mono-chrome
White lies sleeping on my pillow
And downstairs you pour another
Bourbon on the rocks (so cold)
My cries echo
Black smoke rising from my cigarette
It kills time waiting in the shadows
And downstairs you pour another
Bourbon on the rocks (so cold)
I'm all alone
Shine a spotlight on me
You only get one scene and
Tonight show me some affection
This little movie of mine
You keep forgetting your lines and
Tonight I need some attention
Oh, Oh Over we go
Some like it hot but I like it cold
Now you're spinning me out
round and around
Like the Kiss of a Bullet and you
Shoot me down (bang bang)
Shoot me down
Shoot me down (bang bang)
Shoot me down
Baby, Shoot me down
Shoot me down (bang)
Shoot me down
White lies falling from my cherry lips
Black silhouette against the window
And downstairs you pour another
Bourbon on the rocks (so cold)
My cries echo
Shine a spotlight on me
You only get one scene and

Tonight show me some affection
This little movie of mine
You keep forgetting your lines and

Tonight I need some attention
Oh, Oh Over we go
Some like it hot but I like it cold
Now you're spinning me out
round and around
Like the Kiss of a Bullet and you
Shoot me down (bang bang)
Shoot me down
Shoot me down (bang bang)
Shoot me down
Baby, Shoot me down
Shoot me down (bang bang)
Shoot me down
Shoot me down, down, down.
Don't wanna miss the, I don't wanna miss the fantasy
I like it better when I know that something's bad for me
Don't wanna miss the, I don't wanna miss the fantasy
I like it better when I know that something's bad for me
bad for me, bad for me, bad for me
Oh, Oh, Oh Over we go
Some like it hot but I like it cold
Now you're spinning me out
round and around
Like the Kiss of a Bullet and you
Shoot me down (bang bang)
Shoot me down
The, the Kiss of a bullet
Shoot me down
The, the Kiss of a bullet
Shoot me down
Ba, ba, ba, bang!
Ba, ba, ba, bang, bang, bang, bang!
