Some Might Say

Chicane

Some might say that sunshine follows thunder
Go and tell it to the man who cannot shine
Some might say that we should never ponder
On our thoughts today, 'cos they will sway over timeSome might say, we will find a brighter day
Some might say, we will find a brighter day'Cos I've been standin' at the station
In need of education in the rain
You made no preparation for my reputation once again
The sink is full of fishes
She's got dirty dishes on the brain
It was overflowing gently but it's all elementary my friendSome might say they don't believe in Heaven
Go and tell it to the man who lives in hell
Some might say, you get what you've been given
If you don't get yours, I won't get mine as wellSome might say, we will find a brighter day
Some might say, we will find a brighter day'Cos I've been standin' at the station
In need of education in the rain
You made no preparation for my reputation once again
The sink is full of fishes
She's got dirty dishes on the brain
And my dog's been itchin'
Itchin' in the kitchen once againSome might say
Some might say
You know, I some might say
You know, I some might say
You know, I some might say
