

Who Compares (feat. Brad Parsley)

New Life Worship

If wonder is to stand in awe
A moment in your presence
Is more than wonderful
If glory is like a thousand suns
Gazing on your shadow
Is more than glorious How could I not be moved
Who compares to you
To all you are
Who compares to you
You stand alone The highest names are only names
None would be exalted
But yours is crowned in praise
The only king, the only God
Wrapped in adoration
Forever lifted up
How could I not be moved
Who compares to you
To all you are
Who compares to you
You stand alone
Who compares to you
No one no one
Who compares to you There is no one else
There is no one else
There is none more awesome
Awesome than you There is no one else
There is no one else
There is none more awesome
Awesome than you
Oh Oh Oh Oh
Oh Oh Oh
Oh Oh Oh Oh How could I not be moved
Oh Lord
How could I not be moved Who compares to you
To all you are
Who compares to you
You stand alone
Who compares to you
No one no one

Who compares to you
You stand alone
