

Missing

[Flyleaf](#)

I saw the queen
Swam out below her star on sea beneath
Though I lifted up my hands to her
She never lifted me Oh, something's missing in me
I felt it deep within me as lovers left me to bleed alone Found something sweet on the island with daughters of
Eve
But through thick and thin they've gone away
And only left their grief Oh, something's missing in me
I felt it deep within me as lovers left me to bleed alone
Something's missing in me
I felt it deep within me as lovers left me to bleed alone Something's missing in me
Something's missing in me Down here love wasn't meant to be
It wasn't meant to be for me
Down here love wasn't meant to be
It wasn't meant to be for me Oh, something's missing in me
I felt it deep within me as lovers left me to bleed alone Something's missing in me
I felt it deep within me as lovers left me to bleed alone Something's missing in me
Something's missing in me
Something's missing in me
Something's missing in me
