

# I'm Alright (Theme from "Caddyshack")

[Kenny Loggins](#)

I'm alright and nobody worry 'bout me  
Why you got to gimme a fight, can't you just let it be?  
I'm alright don't nobody worry 'bout me  
You got to gimme a fight, why don't you just let me be? Do what you like doing it naturally  
But if it's too easy, they're gonna disagree  
It's your life and isn't it a mystery  
If it's nobody's business it's everybody's game Gotta catch you later, no, no, cannonball it right away  
Some Cinderella kid  
Get it up and get you a job  
Dip dip dip dip dip dip dip dip I'm alright nobody worry 'bout me  
Why you got to gimme a fight, can't you just let it be?  
I'm alright don't nobody worry 'bout me  
You got to gimme a fight, why don't you just let me be? Who do you want and who you gonna be today?  
And who is it really makin' up your mind?  
You wanna listen to the man, pay attention to the magistrate  
And while I got you in the mood, listen to your  
Own heart beatin', own heart beatin'  
Own heart beatin', own heart Don't it get you movin', m-m-man  
It make me feel good  
Wow, Cinderella kid  
Then give it up and give it the job  
Dip dip dip dip dip dip dip dip I'm, I'm alright, nobody worry 'bout me  
Why you got to gimme a fight, can't you just let it be?  
I'm alright don't nobody worry 'bout me  
You got to gimme a fight, why don't you just let me be? I'm alright nobody worry 'bout me  
Why you got to gimme a fight, can't you just let it be?  
I'm alright, I'm alright, I'm alright, just let me be  
I'm alright, I'm alright, I'm alright, just let me be
