

Daddy's Little Girl

The Knux

 Youre Daddys little girl
 This is me, party out in Paris
 Luxury glamorous
 Party life
 Youre Daddys little girl
 Listen here, treat me like a favor
 Luxury glamorous party life
 Youre Daddys little girl
 Ahhh, whoa
 Youre Daddys little girl
 Ahhh, whoa
Youre Daddys little girlI wake up in the a.m., with plans to get my day in
 Who gives a damn what they said, they cant see what Im making
 My mac lip gloss my baggy, while Keekee takes a nappy
 Dont hang with Jen cause shes a bitch and she aint got no cashy
 My daddy, my daddy he owns a hum
 who knows, who cares
 All I know is Im the heir
 And theres no floss up in my hair
 Paris Dicky role model, 17 year old model
 No i.d., know my dad, I party drink the whole bottle
 Shopping sprees in Italy
 These 6-inch heels are killing me
My daddy give me some new wheels so they can really envy me
 The beamer drop my halter top Im hot
 Now check my license plate
 Rich girl, rich girl
You wished you had a life this great.Youre Daddys little girl
 This is me, party out in Paris
 Luxury glamorous
 Party life
 Youre Daddys little girl
 Listen here, treat me like a favor
 Luxury glamorous party life
 Youre Daddys little girl
 Ahhh, whoa
 Youre Daddys little girl
 Ahhh, whoa
Youre Daddys little girlYou never had a real job, you always like to peel off

Mannie hands mini benz
And Beamers with the wheels off
Aint it, aint it something, Im almost almost famous
In any club my VIP I cut um like Lorena
Bobbitt, Ive been bobbin my head to my own beat
Tony and Bronie just chillin with my homies
I want more body, give em checks
Popular, I wear a sweater
I dont know a thing about it
But we look real good together Youre Daddys little girl
This is me, party out in Paris
Luxury glamorous
Party life
Youre Daddys little girl
Listen here, treat me like a favor
Luxury glamorous party life
Youre Daddys little girl
Ahhh, whoa
Youre Daddys little girl
Ahhh, whoa
Youre Daddys little girl
