

I Got Stung

Elvis Presley

Holy smoke, a land sakes alive
I never thought this could happen to me I got stung by a sweet honey bee
Oh, what a feeling come over me
It started in my eyes, crept up to my head
Flew to my heart till I was stung dead
I'm done, uh uh, I got stung She had all that I wanted and more
And I've seen honey bees before
She started buzzin' in my ear, buzzin' in my brain
Got stung all over but I feel no pain
I'm done, uh uh, I got stung Well now don't think I'm complainin'
I'm mighty pleased we met
'Cause you gimme one little peck
On the back of my neck
And I break out in a cold cold sweat But if I live to a hundred and two
I won't let nobody sting me but you
I'll be buzzin' 'round your hive every day at five
And I'm never gonna leave once I arrive
'Cause I'm done, uh uh, I got stung And I don't think I'm complainin'
I'm might pleased we met
'Cause you gimme one little peck
On the back of my neck
And I break out in a cold, cold sweat But if I live to a hundred and two
I won't let nobody sting me but you
I'll be buzzin' 'round your hive every day at five
And I'm never gonna leave once I arrive
'Cause I'm done uh uh I got stung
