

# He's Kissing Christian

that dog.

He's kissing Christian and it's making him feel backwards  
He's kissing Christian 'cause he's such a successful bachelor  
He's kissing Christian and it's making my back hurt  
He's kissing Christian and it's making you cry Come out, come out, wherever you are  
Come out, come out wherever you are  
Come out, come out, come out  
Come out, come out, wherever you are He's kissing Christian and he's taking it like a beating  
He's kissing Christian and it's seeming like he's cheating  
He's kissing Christian and it's keeping me from eating  
He's kissing Christian and it's making you high Come out, come out, come out  
Come out, come out, wherever you are Come out, come out, wherever you are  
Come out, come out, wherever you are  
Come out, come out, come out  
Come out, come out, wherever you are He's kissing Christian  
He's kissing Christian  
He's kissing Christian and it's making you die
