

# Me Myself & I

## KIDZ BOP Kids

Oh, it's just me, myself and I  
Solo ride until I fly  
'Cause I, got me for life  
Oh I don't need a hand to hold  
Even when the night is cold  
I got that fire in my soul And as far as I can see, I just need privacy  
Plus a whole lotta free, with all this modesty  
I just need space to do me get a world that they tryin' to see  
A pretty girl here right beside of me  
A Ferrari, I'm buyin' three  
A closet of Saint Laurent, get what I want when I want  
'Cause this hunger is driving me, yeah  
I just need to be alone, I just need to be at home  
Understand what I'm speaking on if time is money I need a loan  
But regardless I'll always keep keepin' on  
Take fake friends we don't take L's, we just make M's  
While y'all follow, we just make trends  
I'm right back to work when that break ends Oh, it's just me, myself and I  
Solo ride until I fly  
'Cause I, got me for life  
Oh I don't need a hand to hold  
Even when the night is cold  
They got that fire in my soul I don't need anything to get me through the night  
Except the beat that's in my heart  
Yeah it's keeping me alive  
I don't need anything to make me satisfied (yeah)  
'Cause the music does me good and it gets me every time (Ba-ba-ba-ba-da-ba)  
'Cause the music fills me good and it gets me every time Yeah, lonely nights I laid awake  
Pray to lord, my soul to take  
My heart's become too bold to break  
Know I'm great but I'm broke as well  
Having dreams that I'm folding cake  
All my life I've been told to wait  
But I'ma get it now, yeah it's no debate  
Yeah Oh, it's just me, myself and I  
Solo ride until I fly  
'Cause I, got me for life  
Oh I don't need a hand to hold  
Even when the night is cold

They got that fire in my soul I don't need anything to get me through the night  
Except the beat that's in my heart  
Yeah, that's keeping me alive  
I don't need anything to make me satisfied  
'Cause the music fills me good and it gets me every time (Ba-ba-ba-ba-da-ba)  
'Cause the music fills me good and it gets me every time
