

Omi Omy

Indica

[Chorus]

I'm too honest I can't lie

Psychedelics in my eye

Omi omy, omi omy

Come back tonight

Come back tonight I'm too honest I can't lie

Psychedelics in my eye

Omi omy, omi omy

Come back tonight

Come back tonight [verse 1]

Kumba kumbaya

Omi on my way

I might catch that bitch

I might fucked that bitch

But that's not my bitch

"Hiyah" out my way "hiyah"

We do drugs all day

Buy drugs in hallway

Fashion got me lit

I might cop that bit

In his bitch i came

Be to much too say

Let us fuck tonight

Where your girl tonight?

Call up all her phones

But she hit the club Don't call back been up and down

But the boy been around

But they fucking with me now

Probably stand out in a crowd

Black and white diamond in [?]

Why you drop me for my sound

But she suck dick for free

Bad baby on her knees

But that bitch not in my league

Look at look at me baby tell me what you see?

She a ten like Tennessee off all the hennessey [Chorus]

I'm too honest I can't lie

Psychedelics in my eye
Omi omy, omi omy
Come back tonight
Come back tonight I'm too honest I can't lie
Psychedelics in my eye
Omi omy, omi omy
Come back tonight
Come back tonight[verse 2]
Back in this bitch like
Back like I never left
Back with the hella flex
Back and i'm fun this year
Finna stack all the wrist
Finna stack all the wrist
Diamonds all dancing
Diamonds, dancing like on my dick
Cartier on my wrists
Looking hella froze
Looking i'm hella frozen
Look at my nose running
Look at the nose running
Look at the drugs, we finna have fun you finna hate it, we finna have fun Fuck all that faith[?]
I don't fuck with fake friends
Im trying to stack all my bread
Trying to stack that up
Back like I never left
I said that already
Say it like all again
You should tell all your friends
Ima pull up in benz
