

'93 'Til Infinity

Souls of Mischief

Yo, what's up, this is Tajai of the mighty souls of mischief crew
I'm chillin' with my man phesto
My man a-plus, and my man op, you know hes dopeBut right now yo, we just maxin' in the studio
We handlin' from east Oakland, California
And, sometimes it gets a little hectic out there
But right now, yo, we gonna up you on how we just chillDial the seven digits, call up Bridget
Her mans a midget, plus she got friends, yo, I can dig it
Here's a forty, swig it, ya know it's frigid
I got 'em chillin' in the cooler, break out the rulerDamn, that's the fattest stoke I've ever seen
But what does Keen and Cali gettin' weeded, makes her feel like maui
Now we, feel the good vibrations
So many females, so much inspirationI get inspired by the blunts too, I'll front you
If you hang with a punk crew
I roam the strip for bones to pick when I find one, I'm done
Take her home and quickly do this
I need not explain this, a-plus is famous, so get the anusHey, miss, whose there? I'm through there, no time to
do hair
The flicks at eight so get it straight
You look great let's grub now
A rub down sounds flavor, later there's a theater
We in the cut, the cinema was mediocre
Take her to the crib so I can stroke herKids get broke for their skins when I'm in
Close range, I throws game at your dip like handball
'Cause the mans all that, all phat
I be the chill from 93 'tilYeah, this is how we chill from 93 'til
This is how we chill from 93 'til
This is how we chill from 93 'til
This is how we chill from 93 'tilThis is how we chill from 93 'til
This is how we chill from 93 'til
This is how we chill from 93 'til
This is how we chill from 93 'tilHuh, my black timbs do me well
When I see a fool and he says he heard me tell
Another persons business, I cause dizziness
Until you stop acting like a silly bitchYo, crews are jealous 'cause we get props
The cops, wanna stop, our fun, but the top
Is where were dwelling, swelling, phat, no sleep
I work fifteen jerks get their hoes sweptUnder their noses, this bros quick
To hit blunts and flip once I'm chillin' 'cause my crews close, kid
I boasted, most kids accept this as cool

I exit 'cause I'm an exception to the rule I'm steppin, to the cool spots where crews flock to stare at them
 Or see where the shit that's flam
 Bland leaking out his pocket
 So, I got tons of Endo and go to the ho ins, basement My ace spun, phat and enough tracks
 Time to get prolific with the whiz kid
 Greenbacks and stacks don't even ask
 Who got the fat sacks, we can max, pumpin' phat tracks Exachangin' facts about impacts
 'Cause in facts, my freestyle talent overpowers
 Brothers can't hack it, they lack wit, we got the mack shit
 93 to Infinity, kill all that wack shit Ah, this is how we chill from 93 'til
 This is how we chill from 93 'til
 This is how we chill from 93 'til
 This is how we chill from 93 'til This is how we chill from 93 'til
 This is how we chill from 93 'til
 This is how we chill from 93 'til
 This is how we chill from 93 'til I'll be coolin', schools in session but I'm fresh and
 Rappin' so I take time off to never rhyme soft
 I'm off on my own shit with my own click
 For many bad bros with their fat stoke gettin' blunted Folding blunts, holding stunts captive
 With my persona, plus, I bomba
 Testin', niggas is testin'
 My patience but I stay fresh and Restin' at the mall, attendance on low
 But I am shopping for my winter
 Exploits, some new fits, come new kicks
 I often do this 'cause it's the pits not being dipped Flip, the flier attire, females desire
 Baby, you can step to this if you admire
 The extraordinary dapper rapper
 Keep tabs on your main squeeze before I tap her I'll mack her, attack her with the smoothness
 I do this, even when my crew gets
 Loot, props, respect and blunts to pass
 Crews talk shit, but in my face they kiss my ass They bite flows but we make up new ones
 If you're really dope, why ain't ya signed yet?
 But I get, my loot from jive, zomba I'ma bomb ya
 You will see from now to Infinity Ah, this is how we chill from 93 'til
 This is how we chill from 93 'til
 This is how we chill from 93 'til
 Yeah, this is how we chill from 93 'til This is how we chill from 93 'til
 This is how we chill from 93 'til
 Yeah, this is how we chill from 93 'til
 This is how we chill from 93 'til Hah-hah, just coolin' out, ya know what I'm sayin'
 But, but whos chillin' around the land?
