Every Second Counts

Redlight King

Don't move away from me.
Every second counts.
If the fire in your eyes starts fading.
I'll be around.
I'll be holding your hand if you run.
I'll be howling at the moon when it rains.
If you should ever forget who you are.
I'll call your name.Don't move away from me.
Every second counts.
When the weight of the world starts changing.
I'll be around.
You're the only one I keep holding onto.
You're the only one that keeps me awake.
I would die before I would let someone hurt you.
I would run at any risk I could take.Don't move away from me.
Every second counts.
Don't move away from me,
Every second counts.
Oooou.
Youre the only one that i give my heart to.
Youre the only one thats keeping me safe.
Yeah.
Youre the only one that i belong to.
Ill call your name.
Every second counts.
Every second counts.
Every second counts.
Every second counts.
