Yes indeed yes indeed I've got that feeling in me yes indeed

 You will shout when it hits you yes indeed

 Yes you'll shout when it hits you yes indeed

When that spirit moves you you will shout hallelujah

 When it hits you you'll holler yes indeed

 It comes out if it's in you yes indeed

It makes you shout Jack it sends you yes indeed

When that jive starts jumpin' you will shout let me in there

 When it hits you you'll holler yes indeed

 Yes you'll shout when it hits you yes indeed...

 It comes out if it's in you yes indeed...

Yes indeed yes indeed I've got that feeling in me yes indeed

 When that spirit moves you you will shout hallelujah

 When it hits you when it hits you

 When it hits you yes indeed
