

Mine Again

Public Enemy

James Bomb

I board a plane head strong landed with a smile on my face
To give service back to the land that's our home
I long for coming back to Africa So It's Cool to BE BLACK

UNTIL ITS TIME TO BE BLACK

AIN'T NEVER TOO LATE

TO GO back AND GIVE BACK

So I let born afters

Know

I RAP For AFRICA

TO GIVE TO THE MOTHERLAND

SEE WHATS MINE AGAIN

Be of service

LAND OF DARK FACES

SPILT colonized IN 53 PLACES

THA GREED WENT ON

TILL EVERYTHING WAS GONE

WIPE OUT BY PREVIOUS WARS

I Work on

GRAVES OF THE POOR

TO CLEAN UP A MESS

LEFT BY THE WEST

MY DUTY TO THE AFRICAN, TELL MY NEXT OF KIN

IN A SONG BUT DAMN, NOTHING AROUND ME

AND WHAT THE HELL I STEP ON? James Bomb

With my head on straight I was gone to damn long over 450 years to be exact

Not paying attention I stepped on mine ON THE EDGE OF MOTHERLAND

AROUND MY HEAD

COMPROMISED IN THIS CHRISTIAN MISSIONARY POSITION

FEAR

THERE MUST BE SOME SOME WAY UP OUTTA HERE

WHATTA BITCH, mother F-it

IN A CLEAN UP DITCH EFFORT

STEPPED ON SOME BOMB SHT

THAT A PAST WAR LEFT IT

KIDS DYING IN

NEARBY DIAMOND MINES

OUT HERE WORKING THAT WORLDWIDE GRIND

HOPE SOMEONE FINDS ME

Out left behind
SILENT TICKS KILLIN ME SOFTLY
MALARIA but Debeers
They the ones
GOT ME SICK
SOLATED AS I WAITED
WITH THOUGHTS IN MY HEAD
ABOUT MY SOUL INTENTION
TO SAVE MY BROTHERS AND SISTERS...James Bomb
My thoughts is racing as my tears run down my face
I came back to help repair what's mine
If I move I'm gonerMY SOUL INTENTION
TO SAVE MY SOUL BROTHERS AND SISTERS...
HOW WE BECAME BOY INSTEAD OF MISTER
I CAME TOO FAR HERE TO BE CALLED SOME NIGGERMY FOOT ON A BOMB IM A END Up worse
than SOME DRIFTER
MYSELF AND WHAT MY FOOTS STUCK ON.
360 degrees
MINE... AGAIN
MINE AGAINJames Bomb
Was it all worth it? Is Africa really ours
This mine got me thinking
All the death and destruction
Let's not forget bout the corruption
To rob the mother land of its resources
Is Africa mine? or the people who set in the seat power. Mine Again, Mine Again, Mine Again, Mine Again...
