Whiskey River

Country Kings

Whiskey River take my mind
But don't let her mem're torture me
Whiskey River don't run dry
You're all I got, take care of me
Whiskey River take my mind
Don't let her mem're torture me
Whiskey River don't run dry
You're all I got, take care of me
I'm drownin' in a whiskey river
Bathin' my memory's mind in the wetness of it's soul
Feelin' the amber current flowin' from my mind
To a warm and empty heart you left so cold
Whiskey River take my mind
And don't let her mem're torture me
Whiskey River don't run dry
You're all I got, take care of me, ooh yeah
I'm drownin' in a whiskey river
Bathin' my memory's mind in the wetness of its' soul
Feelin' the amber current flowin' from my mind
And warm an empty heart you left so cold
Whiskey River take my mind
Don't let her mem're torture me
Whiskey River don't run dry
You're all I got, take care of me
Ooh, Whiskey River take my mind
Don't let her mem're torture me, no
Whiskey River don't run dry
You're all I got, take care of me, oh yeah
