The Bled

Shatter the mirror on the wall and turn me into beautiful broken pieces.
I am a slave to my own reflection.
Hollywood in a soft syringe push it in and make a star out of me.
Hollywood in a soft syringe and I'll forget who I am.
I wanna be your new big nothing, glowing on a silver screen.x3
I'd like to thank the academy.
And all my family and friends.
We'll make another masterpiece.
A monologue and a eulogy.
I couldn't have done this without you.
I couldn't have made it this far without you.
I forget who I am sometimes.
I forget my lines.
I forget who i am sometimes.
I forget my lines.
Hollywood in a soft syringe push it in and make a star out of me.x5
