

# Easy Breeze

## Clutch

Under dogwood blooms  
Knits widow on her loom  
Eating peaches & cream  
Observe her haunting melody  
You've got an easy breezy wind at your back  
Most of the time  
If you do not understand very few do  
So don't feel bad  
Easy breezy beautiful colored world  
I'm in love with you  
Are-O-why-G-be-I-V  
Your colors are a comedy  
Woman waiting for dawn  
After the tears are gone  
Dandelions holding dew  
As indigo brightens to blue  
You've got an easy breezy wind at your back  
Most of the time  
If you do not understand very few do  
So don't feel bad  
Easy breezy beautiful colored world  
I'm in love with you  
Are-O-why-G-be-I-V  
Your colors are a comedy
