

Sloth Whore

Rave The Requiem

Chemical addiction
Fast lane with a hearse
In the wake of insanity
Reality is a curse

And being sober in another dead nation
Is the fistfuck method in a virgin defloration

Feel nothing
Where the demons dwell
I couldn't be happier
If they drag me down to hell

So drink bottoms up
As the end is near
Without a blood pressure
There is nothing left to fear

I'M ON MY KNEES
OH, GOD
PLEASE SAVE ME

I BEG YOU
PLEASE
ERASE MY MISERY

I'M ON MY KNEES
BUT, GOD
DON'T SAVE ME

WHAT DO I HAVE LEFT BUT MISERY

Running from affliction
Blessed be ignorance
I'm a long distance runner
On the path of least resistance

Because being sober in another dead nation
Is the fistfuck method in a virgin defloration
