

Don't Let Go

En Vogue

What's it gonna be 'cause I can't pretend
Don't you wanna be more than friends
Hold me tight and don't let go, don't let go
Have the right to loose control, don't let go I often tell myself that we could be more than just friends
I know you think that if we move to soon it would all end
I live in misery when you're not around
And I won't be satisfied till we're taking those vows There'll be some lovemaking, heartbreaking, soul shaking
Oh, lovemaking, heartbreaking, soul shaking What's it gonna be 'cause I can't pretend
Don't you wanna be more than friends
Hold me tight and don't let go, don't let go
Have the right to loose control, don't let go I often fantasize the stars above are watching you
They know my heart and speak to yours
Like only lovers do if I could wear your clothes
I'd pretend I was you and lose control There'll be some lovemaking, heartbreaking, soul shaking
Oh lovemaking, heartbreaking, soul shaking, oh yeah What's it gonna be 'cause I can't pretend
Don't you wanna be more than friends
Hold me tight and don't let go, don't let go
Have the right to loose control, don't let go Running in and out my life has got me so confused
You gotta make the sacrifice somebody's got to choose
We can make it if we try for the sake of you and I
Together we can make it right What's it gonna be 'cause I can't pretend
Don't you wanna be more than friends
Hold me tight and don't let go, don't let go
Have the right to loose control, don't let go I said you got the right to lose control, yeah
Don't let go
Don't let go control What's it gonna be 'cause I can't pretend
Don't you wanna be more than friends
Than hold me tight and don't let go, don't let go
Have the right to loose control, don't let go What's it gonna be, don't let go
Don't you wanna be, don't let go
Hold me tight and don't let go, don't let go
