

Big Empty

Stone Temple Pilots

Drivin' faster in my car
Fallin' farther from just what we are
Smoke a cigarette and lie some more
These conversations kill
Fallin' faster in my car Time to take her home
Her lazy head is conscience laden
Time to take a ride
It leaves today no conversation
Time to take her home
Her lazy head is conscience laden
Time to wait too long
To wait too long
To wait too long Too much walkin', shoes worn thin
Too much trippin' and my soul's worn thin
Time to catch a ride it leaves today
Her name is what it means
To much walkin', shoe's worn thin Time to take her home
Her lazy head is conscience laden
Time to take a ride
It leaves today no conversation
Time to take her home
Her lazy head is conscience laden
Time to wait too long
To wait too long
To wait too long Conversations kill
Conversations kill
Conversations kill Time to take her home
Her lazy head is conscience laden
Time to take a ride
It leaves today no conversation
Time to take her home
Her lazy head is conscience laden
Time to wait too long
To wait too long
To wait too long Conversations kill
Conversations kill
Conversations kill
