Honey, when this whole world comes to an end  
I'll be standing there holding your tremblin' hand  
And I won't let nothing, no, no, separate us, nothing in the world I won't let nobody, nothing, touch you  
I won't let nobody, nothing, just say anything  
And I'll just be right with you baby, darling 'til the end  
I'll be just standing there holding your
