

Don't Quote Me On That

Madness

Its all eggs bacon beans and a fried slice. Did you see the one, yeah yeah,
The one they wrote in the paper just the other day,
Well, well would you believe it,
Well what I said, they took it all the wrong way.
Now you've gotta be careful, 'bout what you say,
Cos they've got a bad habit
Were you reading in between the lines?
Or is that what I said? , now I just cant remember
They seem to have a very good memory though
But as far as I'm concerned, as as far as I'm concerned
You don;t have to be black white, chinese or anything really
Just enjoy, shut up, listen and dance...Its all eggs bacon beans and a fried slice Dont quote me on that, don't
quote me on that
Dont quote me on that, please don't quote me
Dont quote me on that
Dont quote me on that Hey hey, you know something, I said I liked that guy,
But thats not what I read in the paper
I don't have anything against them,
Its just eggs bacon and a fried slice Dont quote me on that don't quote me on that
Dont quote me on that please don't quote me
Dont quoe me on that
Dont quote me on that.
You know, now we get worried about what we say
We shouldnt be that way
You know, I don't care who comes,
Cos as far as I'm concerned,
Its, eggs bacon beans and a fried slice Dont quote me on that
Dontr quote me on that
Please don't quote me Mama mama, you know I'm still friends with mickey
They say I shouldnt like him anymore, because I'm all white,
Well he's allright by me Dont quote me on that
Please don't quote me
Dont quote me on that
Dont quote me on that Now what I do, I bring all my old friends along to see the show
And if you have the wrong ideas well, Its all eggs bacon beans and a fried slice Dont quote me on that oh no
(don't quote me on that)
Please don't quote me
(don't quote me on that)
I never said that

(don't quote me on that)
Thats not what I meant
(don't quote me on that)
Well I suppose you could take it that way
(don't quote me on that)
But thats not what I meant to say
(don't quote me on that)
Wont you give me another chance
(don't quote me on that)Please please
Dont quote me on that....Id like to say thank you to pete, peter toshAnd all the other people who come and they
