

# In the Mood (For A Melody)

Robert Plant

I'm in the mood for a melody  
I'm in the mood for a melody I'm in the mood I'm in the mood for a melody  
I'm in the mood for a melody I'm in the mood I'm in the mood for a melody  
I'm in the mood for a melody I'm in the mood I can make you dance I can make you sing  
I can make you dance I can make you sing  
If you want me to Oh I can make you dance I can make you sing  
I can make you dance I can make you sing  
If you want me to Oh I can make you dance I can make you sing  
I can make you dance I can make you sing if you want me to And your little song that you want to sing  
A little song that you want to sing sung in lieu Here's a little song that you want to sing  
A little song that you want to sing some of you A little song that you want to sing  
A little song that you want to sing happy or blue I'm in the mood, I'm in the mood, I'm in the mood Why'd I end  
up doing it doin' it doing it  
Do anything that you want me for if you want me to Do it right gonna do it right  
Cause a matter of fact it'll turn out to be strong  
If you want me to if you want me to  
Oh if you want me to if you want me to if you want me to
