## Young Love

I don't need your redemption
I don't want you to deceive me
And I don't need your forgiveness
I only want you to believe me

Do you see me here
I'm standing naked
Do you see me here on my knees

Now all my life I've been wandering
Looking for teachers with the keys
Nothing found still searching
For sound...
Underground

Now let me tell you about a story
It's about a man consumed with vice
Theosophical in nature
And hedonistic in disguise

And all my life he's been wandering
Searching for teachers with the keys
Nothing found still searching for sound
Underground...
