Anywhere But Here

Safetysuit

Is this the end of the moment
Or just a beautiful unfolding
Of a love that will never be?
Or maybe be
Everything that I never thought could happen
Or ever come to pass and
I wonder if maybe, maybe I could be
All you ever dreamed
?Cause you are beautiful inside, so lovely and I
Can?t see why I?d do anything without you, you are
And when I?m not with you, I know that it?s true
That I?d rather be anywhere but here without you
Anywhere but here
Is this a natural feeling
Or is it just me bleeding?
All my thoughts and dreams
In hope that you will be with me or
Is this a moment to remember
Or just a cold day in December?
I wonder if maybe, oh, maybe I could be
All you ever dreamed
?Cause you are beautiful inside, so lovely and I
Can't see why I?d do anything without you, you are
And when I?m not with you, I know that it?s true
That I?d rather be anywhere but here without you
Anywhere but here, anywhere but here
Is this the end of the moment
Or just a beautiful unfolding
Of a love that will never be
For you and me?
?Cause you are, you?re beautiful inside, you?re so lovely and I
Can't see why I?d do anything without you, you are
And when I?m not with you, yeah, I know that it?s true
That I?d rather be anywhere but here without you
Whoa, ooh yeah, no, no, no, no, no
