

# Crying in the Rain (Brainformed Mix)

## Culture Beat

Crying in the rain  
Stop that crying, stop that lying, it's boring me  
I don't wanna spend my time with you  
Stop to think that once you brought me to ecstasy  
Give me the loving that I really need  
Stop that crying in the rain now  
No more crying in the rain  
Who said that crying in the rain  
Could ever wash away a lover's pain?  
Oh, oh, crying in the rain now  
No more crying in the rain now  
Who said that crying in the rain  
Could ever wash away a lover's pain?  
Stop, you breathe you lie  
Loops got you lost I can't hear you  
Treason took a try  
Desperate drown in dirty things  
Juvenile jazz you hide  
Can't lose no love from day I shared  
Faint twinkle in your eyes  
Weary from how you earn your things  
You slip from sliding slowly  
Slither, sneaky, simple for a snake  
Poser in pursuit of passion  
Can't rush my quiver fake a quake  
Betrayal, disarray  
Leave a soft one frying in the pain  
Deceitful, full of that couldn't care less  
If you're crying in the rain  
Stop that crying, stop that lying, it's boring me  
I don't wanna spend my time with you  
Stop to think that once you brought me to ecstasy  
Give me the loving that I really need  
Stop that crying in the rain now  
No more crying in the rain  
Who said that crying in the rain  
Could ever wash away a lover's pain?  
Oh, oh, crying in the rain now  
No more crying in the rain  
Who said that crying in the rain  
Could ever wash away a lover's pain?  
Crying in the rain  
Fake, no truth, no real  
Trapped in your toss  
Can't shake aching, fictions all you feel  
Make up to hide, make up of self  
Wicked with step ahead of skills  
Menial madness molds your making  
Plot to place for prize  
Weak known wonders for wealth  
You dig the dirt well deep in darkness  
Dare to deal on the down low  
Tripping for treasures, plastic pleasures

Headline in some kid side show  
A taste of a thrill got to have glitter  
Serpents seem to savor show  
Fool can't afford to feign alone  
You're crying in the rain  
No more crying in the rain  
No more driving me insane  
No more crying  
Stop that crying, stop that lying, it's boring me  
I don't wanna spend my time with you  
Stop to think that once you brought me to ecstasy  
Give me the loving that I really need  
Stop that crying in the rain now  
No more crying in the rain  
Who said that crying in the rain  
Could ever wash away a lover's pain?  
Oh, oh crying in the rain now  
No more crying in the rain now  
Who said that crying in the rain  
Could ever wash away a lover's pain?  
Give me the loving that I really need  
Give me the loving that I really need, really need  
Oh, baby  
Oh, oh crying in the rain now  
No more crying in the rain now  
Who said that crying in the rain  
Could ever wash away a lover's pain?
