My Excuse

glibs

Don't care if she calls
I'm missing them all
I got other shit to do
She's gon be pissed off
I'm blowing her off
But that's not my problem
I don't wanna talk just hide in my shell
And maybe I'll answer soon

I'm not on my phone
I'm not even home
That always my excuse
Always my excuse
Always my excuse
Always my excuse
Always my excuse

I don't think that she understands what I'm tryna do
I don't think that she understands what I'm going through
I got trouble telling people how i really feel
I got trouble always tryna close the fucking deal
Im stuck on my ways
Im stuck in a phase
I can't get out of it
I felt this for days
The city's a haze
I'm tryna get out of it
This world stay spinning faster
But I'm tryna slow it down
When this life starts gettig crazy
It's won't beat me to the ground

Don't care if she calls
I'm missing them all
I got other shit to do
She's gon be pissed off
I'm blowing her off
But that's not my problem
I don't wanna talk just hide in my shell

And maybe I'll answer soon

I'm not on my phone
I'm not even home
That always my excuse
Always my excuse
Always my excuse
Always my excuse
Always my excuse

Don't care if she calls
I'm missing them all
I got other shit to do
She's gon be pissed off
I'm blowing her off
But that's not my problem
I don't wanna talk
Just hide in my shell
And maybe I'll answer soon

I'm not on my phone
I'm not even home
That always my excuse
Always my excuse
Always my excuse
Always my excuse
Always my excuse
