

Kreuzberg Hustlers

Barcode

MOJN If there is a show well of course we'll go
If it's hardcore we will not go slow
Kreuzberg hustlers we'll come crushing in
We're taking care of business what sweet life in sin MOJND'you get the meaning
We outparty all
We go steaming
And we won't back off It's a night for rumbling
Time to go too far
Drink until we stumble
No matter where we are KREUZBERG HUSTLERS
We're the hardcore gang
KREUZBERG HUSTLERS
And we don't give a damn
KREUZBERG HUSTLERS
We will blow off the roof
KREUZBERG HUSTLERS
Wir sind Heini und Schlumpf MOJN
