

Don't Worry, Be Happy

The Busters

Here's a little song I wrote
I want to sing it note for note

Every night we have some trouble
When you worry you make it double

Ain't got no place to lay your head
Somebody came and took your bed

Your landlord say your rent is late
You may have to litigate

Ain't got no cash ain't got no style
Ain't got no girl to make you smile

Cause when you worry your face will frown
That will bring everybody down
